### ABOUT ME

Throughout my education, I have honed skills in research, self-motivation, entrepreneurship, and various abilities. I understand that success relies on desire, attentiveness, and teamwork, and I believe in continuous personal development and learning. As a Full Stack developer, I am proficient in both design and backend technologies. I actively keep up with emerging technologies and have a strong focus on JavaScript and C# (.NET). My goal is to contribute effectively to both my organization and society.

### SKILLS

- JAVA, C#(.NET), JavaScript,
- HTML-CSS, SQL
